

Questionnaire on Community Knowledge

Name:

Postal Address:

Email Address:

Organization if any:

Q1: What is the nature of the activity that led to your knowledge of this species? (Please indicate during what years and seasons you were engaged in that activity. Examples: 25 years of commercial/recreational fishing/trapping/hunting; I have seen them while hiking/working over the past 12 years; I have been compiling information from hunters/fisher/trappers/other from the xx Association/club over 15 years).

Q2: What is the information you wish to provide? (please indicate for which region of Canada, for which species)

Q3: Please indicate if you have written or electronic records that you wish to make available

Q4: Does the Community Knowledge contain any information that might be considered "Aboriginal Traditional Knowledge"?

Yes No

Other information/comments:

Thank you. Your information will be received by the COSEWIC Secretariat who will forward it to the Specialist Group Co-Chair responsible for supervising the production of the Status Report.
